

Forex Trading Systems & Forex Live Trading Combo

BONUSES AND BENEFITS

Successful Trader Development E-Book. Value: \$125

A collection of all you need to know for your own successful trader development.

Lifetime attendance of Forex TradersHub (student networking group). Value: \$2,000

Access to a student master-mind blog for networking and sharing ideas. This blog includes all students who have completed Gabriel's Forex Workshops.

Case Study book: System 1 Busted Breakout. Value: \$250

25 real market pattern trade examples of the Busted Breakout pattern. This case study shows different sub-types of patterns and teaches their nuances. For each trade there is an evaluation from Gabriel and a student discussion attached.

Forex Live Trading Event. Value: \$495

In this event, we scan, frame, stalk and trade patterns of Gabriel's three systems in the live markets.

Group Q & A call. Value: \$250

Join Gabriel and your classmates to ask whatever you want and network with others. Also included are a couple of free trading tools.

Group Mentoring Discount of 25%. Value: \$650

Special student discount for those that have attended the Forex workshops.

Private Trader Chat access. Value: \$250

These are trader interviews with successful students who have gone through the workshop and are now trading the systems.

Email support for three months following the workshop. Value: \$495

Ask Gabriel your questions after the workshop as you begin to trade the systems.

Discount on Trade Simulation Software Package with lifetime licensing. Value: \$149

A fully customized simulation software package ready to simulate the systems with just a click of the mouse!

One full day of Live Crypto Trading. Value: \$750

Gabriel's introduction to cryptos, how to apply the systems rules, analysis of the live market, and scanning for crypto trade opportunities.

Total Value of your combo bonuses: Over \$5,400!
